Disaster Recovery Program for Local Businesses & Municipalities

866 RECOVER Offers Pre-Loss Planning Assistance and Post-Loss Priority Service

BUSINESSES IN THE PROGRAM WILL HAVE FIRST PRIORITY WHEN A DISASTER OCCURS

We are now able to provide emergency planning assistance and priority emergency response in the event of a loss to **Commercial Properties**, ServiceMaster Clean has introduced 866 RECOVER, a nationwide disaster recovery program.

Open to any business at No Cost, the program provides a single source solution delivering comprehensive services including emergency planning assistance to post-loss clean-up and even reconstruction services. The nationwide emergency mitigation and reconstruction program also offers one of the fastest on-site response times in the industry, with the single goal of returning businesses to a pre-loss state to minimize operational and financial disruptions. Many Insurance Companies give additional discounts on your Business/Property Insurance with the program in place.

- **24/7/365 Emergency Response**
- **One Of The *Fastest* On-site Response Times In The Industry**
- **Locally Owned Businesses, Backed By National Resources**
- **Pre-loss Planning To Post-loss Reconstruction**
- **Competitive Service Rates & Centralized Billing**
- **Major Insurance Companies or Self-Insured**

What would you do if your building was flooded by a broken pipe in the middle of the night? What if you managed an apartment complex and an unattended candle caused a fire that damaged six of your units? With 866 RECOVER, the experts at ServiceMaster are there when you need them, and to help plan in advance of a disaster.

We have helped 350+ National Businesses & Municipalities prepare through 866-RECOVER. . .
